

When picking up your child at the end of the day, drive around the building from the right side as you enter the parking lot. Proceed all the way around back and stop at the corner of the building before you enter the playground area. An adult will signal the first car at 2:35 to proceed to the basketball/playground area where you will park, enter the gymnasium, and sign your child/children out. When exiting, as you reach the front of the building please bear to the right and exit through our main entrance.
